## Emerging Issues from Grassroots to International

Free Event

### TOPIC:

### Seeing the city we need

You are invited to participate in an engaging event with the urbanist writer Charles R. (Chuck) Wolfe. As a long time urban writer, photographer, affiliate associate professor and land-use attorney/consultant based in Seattle, Chuck will share insights and expertise as a dynamic speaker who leads explorations of urban spaces impacted by rapid change and growth.

Join us to hear valuable insights from Chuck about his latest book *Seeing the Better City* [www.seeingbettercities.com](http://www.seeingbettercities.com) followed by a panel discussion with local and international experts and thought leaders.
